OUR CONDOLANCE

ANNA UNGLESBEE

NOVEMBER 6, 1920 – OCTOBER 24, 2020

The only recent picture available to me was taken by Yvette Thurston on Anna's 99th birthday.

1st row: Mary Ellen Eaton. Anna, Joyce Howe, Rev. Sue Shorb-Sterling

2nd row: Maria Khadiss (owner of JK House of Grace), Carole Janney, and Jean Karl.

Anna Marie Linton Unglesbee was born in Brookeville, MD, on November 6, 1920. She shared the family home with two brothers and one sister. She spent her high school years at Sherwood High School in Sandy Spring, MD. This is where she met the love of her life, Clyde Unglesbee. Anna and Clyde were married on October 25, 1941. Clyde entered the Army in May 1942 and served in World War II, returning to his beloved wife in January 1946. Clyde started a business, Olney Electric, which grew into a successful electrical contracting operation, with

Anna working by his side every day. As they nurtured their growing business, they were able to travel from time to time in the United States. One of their favorite trips was to Hawaii. As family was close by, nieces and nephews alike, have fond memories of dropping in on Aunt Anna and Uncle Clyde at their "store". What fun to just drop in and see both sitting at their desks working away, then their faces filled with delight upon seeing their young visitors. Anna was Clyde's right hand and he her left hand. They sold the business and retired in 1997. Anna and Clyde were life-long active members at Salem United Methodist Church. Anna was a Sunday School teacher for many years, a member of the choir and the substitute organist. She held many positions on the church board, was a member of the United Methodist Women, the Salem Cemetery Committee and was a fixture in the kitchen for the annual Oyster & Ham dinners and later the Lions Club dinners. Anna was able to attend services on many Sunday mornings being chauffeured by her Salem friends. As Anna and Clyde were unable to have children, their loving nieces and nephews helped to fill that void. They built a lovely home in Brookeville, MD, where they shared many happy years until Clyde's sudden passing in 2009, after 67 years of marriage. Anna's life has been blessed with countless loving friends and family. All have been touched by her quiet demeanor and constant love.

The obituary was taken from Roy W. Barber Funeral Home Web site.

Putting God First in Living and Giving

Do we worship idols? The answer may surprise you.

During November, our church will hear about God's generosity and our response as we experience our stewardship program, *first: putting GOD first in living and giving*, developed by author and pastor Mike Slaughter of Ginghamburg Church.

There will be opportunities in worship, Bible study, and devotions that can be used at church or at home.

We are made in God's image and are meant to be creators of life and hope, not the consumers of our culture's shiny gods. We can change the world and create a legacy that will live forever in generations' lives to follow. That legacy starts when each of us takes the hard steps of financial discipline and fulfilling the call to generosity that God has placed in all of us.

This stewardship program's goal is not to make you feel guilty, nor is it to say that you have to be exactly like this or that person. The goal is for all of us to ask ourselves questions and be open to the possibility that God will lead us in new directions in our lives.

During the four-week program, we'll be challenged in a number of different ways. We'll be asked to look for the idols in our own lives (Hint: Most of them aren't animals made of gold) and name the ways

these idols enslave us, holding us back from living in the true freedom that God desires for us.

We'll be challenged to consider the place that money, work, and debt have in our own lives. What are our common understandings of these, and might the witness of Scripture lead us to some different understandings?

We'll be challenged to ask ourselves what it means for us to be faithful, save, and give. How do we balance all the competing interests in our lives? What priorities does God want us to have?

Finally, we'll be challenged to give with our hearts, not out of obligation or a sense of duty and not just when we think the recipient deserves our gift. Instead, we'll be challenged to give the way God gives—freely, fully, with no favorites or expectations of repayment.

It is our prayer that, at the end of these four weeks, we will have begun to grow into the individuals and the church that God knows we can be. Please join us in *first: putting GOD first in living and giving*.

Worship in November

This month, we will be studying shiny gods in Bible Study, so that will inform our worship, as well. Suppose you want to read along without coming to the class. In that case, you are welcome to purchase the book, "shiny gods: finding freedom from things that distract us" or the accompanying devotion book, "first - Devotional: putting GOD first in living and giving." Both are available on Amazon. Our scriptures for worship will be drawn from the class and may change based on discussions. Tentatively, our worship schedule is as follows:

November 1st

Naming our Idols
Exodus 20: 22-24
Exodus 32: 2-4

November 8th

Guest preacher: Rev. Dr. Sandi Johnson (accompanied by Kelly Cooper, a Deaf soloist, and Sydney Palmer, ASL interpreter)

Reopening Salem

You may have noticed that we've started regathering in the Sanctuary rather than in the parking lot. We are doing this with enthusiasm, caution, and a whole mix of feelings. Sunday October 25th was our first time back in the sanctuary. It was lovely, and it was structured to keep us all as safe as possible. We had some major changes-

even to how we did our outdoor worship services.

1. Everyone entered by way of the ramp off the parking lot. This is to make sure everyone comes in just one direction and we can reduce traffic in the hall. We had one designated exit as well. However, if you need the ramp just let the COVID ushers know and we will make sure you can exit without stairs!
2. Everyone signed in at the contact tracing table. We added an extra layer in that all volunteers and staff did a COVID screening and signed off to say we are symptom free.
3. All wear masks at all times. Rev. Emily now wears "ClearMasks" (check out their website if you're curious!) to keep sermons accessible. Harry wears a mask except when singing and the piano has been moved to face away from the congregation. We also reduced the sung songs from 3 to 1 and will continue learning sign language.
4. We opened the doors to outside once the service started to increase airflow
5. The pews are marked with blue scarves crocheted by our own Prayer Shawl group. The blue scarf indicates an available pew!
6. We have at least two "COVID Ushers" signed up to help every week. They are trained in our policies and have a checklist of tasks for each week. All are welcome to volunteer
7. We calculated our capacity based on the square footage of the sanctuary

divided by 50. Based on this (from Montgomery County) we can accommodate 29 people for in person worship.

We also spent time as a committee figuring out what will cause us to return to online worship.

1. Our primary indicator will be the Maryland and Montgomery county directives. If they say to close the building, we will comply.
2. If someone who attended services tests positive, we will close for at least two weeks to allow for testing, contact tracing, and self-quarantine.
3. Lastly, if the Montgomery county website's data goes into the "high risk of transmission" marker in too many categories, we will close until the numbers improve.

<https://www.montgomerycountymd.gov/covid19/data/>

Because this is so new, our policies are evolving as we learn. Rev. Emily will send the updated policies to Nancy Wilkie with each update to be on the website. "Too many categories" and "until the numbers improve" are not definite indicators, we know. Please be patient with us as we work on making concrete policies without being rigid.

Regardless, we will be worshipping at <https://SalemUMC.live> online. You probably noticed that our internet stream is not totally reliable right now. Now that we are inside, we will have a lot more control over our Livestream because it will be set up when we arrive. At this point, <https://SalemUMC.live> will be the most reliable place to watch the stream (even

though it will still work on YouTube and Facebook!).

If you are struggling with the technology: we are considering a way to watch together on Zoom. Be on the lookout for that information in the coming weeks!

Most importantly, remember that God shows up wherever we are. Whether we are in the church building or at home in our PJs, God is with us. So, wash your hands, wear your mask, and attend worship in the safest way for you and your family. We know that everyone has different needs. We have tried to develop policies that will be simple to implement. However, if you have something your family needs, please don't hesitate to contact Rev. Emily. We will be as flexible as we can.

Blessings to you!

FINANCE UPDATE

We have certainly had our share of challenges in 2020, but our congregation has stepped up to the plate, and our pledges/giving has remained strong. Thank you for mailing in your donations; it is greatly appreciated. When COVID hit, we were concerned about our financial future, and applied for the Paycheck Protection Program, PPP, and were approved through Sandy Spring Bank. This funding covered our payroll costs for two months, ensuring we would not need to furlough anyone. I am pleased to report we are up to date on our apportionments and bills. The Leadership team continues to closely monitor our financial situation; thank you for your continued support.

God Bless, Mary Kay Abramson and the Leadership Team

CONGRATULATIONS!

Austin and Natalie Roberts with The, Left to right Blake, John, Carol and Amy Roberts Family

COVID couldn't stop the marriage of Austin Roberts to Natalie Todd on Friday, September 4, 2020. They exchanged vows in a beautiful outdoor ceremony in Orlando, Florida where they recently purchased a lovely home.

SHARING GOD'S LOVE TO ALL

"The King will reply 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'" Matthew 25:40 (NIV)

This scripture reminds us that most of the time we must put "me" aside and help those in need. We see every time we go out, people standing with signs asking for help. During the 'Great Depression,' people sold apples on the streets for a nickel each just to feed their families. Now it's the signs we see. Ask yourself, "who have I helped today."

Here I am, Father; I have a roof over my head and food in the pantry. And I thank You so very much because You gave it to me; I know I help Olney Help and other Food ministries to help those in need. Please guide me to be a little more concerned for my brother's and sister's and help where I know help is needed. In the name of your precious Son, we pray. Amen

THE LORD'S TABLE

CAN ANYONE CONFIRM THIS MINISTRY IS STILL OPERATING?

The Lord's Table is now at Epworth UMC, 9008 Rosemont Dr., Gaithersburg. Volunteers from Salem serve the first Friday of the month from 1:00–5:00 P.M. Please consider serving.

SOMETHING HAPPENING AT SALEM

The Blessing of the Animals

October 12, 2020

Salem News November 2020

Noisy dogs, quiet dogs
And ... a pony!

On Sunday afternoon, October 17, our Salem family and Brookeville neighbors gathered on our back field for a Blessing of the Animals. There were bags and pockets filled with treats, and obedient pups, anxious to make their families proud with “sits,” “stays,” and hello sniffs with new friends.

Rev. Emily, accompanied by her faithful pup, Teddy, led us in remembering God’s amazing creation in the words of Genesis 1. Each “parent” then shared a blessing, and some ear rubs with their animals, thanking them for their constant love and reminders of the many wonders of God’s creation. We also remembered pets we’ve known who shared their devotion with us and then crossed the Rainbow Bridge. The blessing of each animal was sealed with a medallion of St. Francis, the Patron Saint of Animals and

the Environment. We thank you God for the many blessings of this world! Our wonderful Hero Dog, Norman, was sitting in just the right place.

BIRTHDAYS AND ANNIVERSARIES

Recently, there has been some question about including deceased family members' names in our monthly birthday/Anniversary list. I have left them on the list so their loved ones will know that we have not forgotten them. They have been loved by their families and the Church. We cannot forget them. So, we can still remember and love – we have decided to add a new heading to this section: We miss You! If you do not want your loved one's name on this list, please let me know. I do not want to hurt or cause pain to anyone, so PLEASE communicate with me. If I do not hear from you, their names will be listed in this new column.

If your name should be on one of these lists, please contact: velma_durant@yahoo.com. We don't want to leave you out. Thank you.
